"This book, a polished, winding meditation on the theory and fractiousness of motorcycles, celebrates both their eccentric history and the wary pleasures of touring."—The New Yorker In a book that is "a must for anyone who has loved a motorcycle" (Oliver Sacks), Melissa Pierson captures in vivid, writerly prose the mysterious attractions of motorcycling. She sifts through myth and hyperbole:

misrepresentations about danger, about the type of people who ride and why they do so. The Perfect Vehicle is not a mere recitation of facts, nor is it a polemic or apologia. Its vivid historical accounts—the beginnings of the machine, the often hidden tradition of women who ride, the tale of the defiant ones who taunt death on the racetrack—are intertwined with Pierson's own story, which, in itself, shows that although you may think you know what kind of person rides a motorcycle, you probably don't.

“ Pierson is an even better writer than she is a rider. ” —Boston Globe
“ World ’ s Toughest Motorcycle Riders ” —long-distance motorcycling is not a pastime but an obsession. In this candid, eloquent, sharply observed book, Melissa Holbrook

Pierson introduces us to this strange endeavor and the men and women who live to ride impossibly long distances, eating up road, almost without cease. And who find it nothing but fun. Perhaps the most determined of them is John Ryan, a magnetic, enigmatic man who loves nothing better than breaking records of amazing distance—at no small risk to himself and his health. But why? Pierson, who rediscovered the joys of motorcycling in the midst of a personal crisis, puts on her helmet and joins Ryan in his element in order to understand his singular desire and discipline, his passion and his obsession. *The Man Who Would Stop at Nothing* offers an intimate glimpse of an unusually independent yet supportive community as well as a revealing, unforgettable portrait of its
