This book is intended for the sacred garrison of anointed men and women of God assigned to protect and to serve the leadership of Body of Christ. There are many general references that offer explanations and advice on what Adjutants should do, and how to be an Adjutant; in fact the magnum opus of our craft is found in a book called God's Armorbearer,<sup>1</sup> by Elder Terry Nance In historic times knights were military operatives who were appointed to the service of monarchs and other high-ranking nobles. In our time the Adjutancy serves the highest-ranking leadership of the Church. Over the course of these pages, we have attempted to convey an image of the Adjutancy that reinforces this idea of Christian kighthood.

A complete manual on handling paraments, supplies, preparation and clean-up, worship services, and more.

The Pastor's Handbook (KJV) is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and

dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

**The Bishopric: A Handbook on Creating Episcopacy in the African-American Pentecostal Church** addresses the need for assistance and training for the proliferated Episcopacy within the African-American community.

The Church of God in Christ (COGIC), the first major denomination to spring from the fires of the Azusa Street revival, profoundly affected the history of the black church. Its tremendous influence can be traced to the dynamic spiritual life of its founder, Charles Harrison Mason. The son of a slave and a leader in the holiness movement of his day, Mason traveled to Azusa Street in 1907 where he received the baptism of the Holy Spirit. Returning home, he discovered that visions, spontaneous healing and deliverance followed him. A new power accompanied his preaching, and he experienced freedom from former limitations. Mason's vibrant spiritual life enabled him to lead a fledgling movement from its infancy to a powerful, prophetic community over the next fifty years. Beginning in the rural South in the decades following the Reconstruction Era, the denomination gradually moved into urban areas during the 1900's. No matter where its ministers, however, the COGIC Church holds in tension the dynamics of holiness, spiritual encounter and prophetic Christian social consciousness. Facing the challenges of our generation, the COGIC Church desires to maintain the legacy of its founder as it prepares for another century of work and witness. "Our younger generations need to know the rich legacy bequeathed to them by the pioneers of the Church of God in Christ." Presiding Bishop Chandler D. Owens "Every pastor in our denomination and beyond should have a worn and well read copy of this book." Bishop Charles E.

Blake, Sr. "This valuable book should be in the hands of every member of the Church of God in Christ." Bishop C. L. Anderson "God gave Bishop C. H. Mason an anointing to preach powerfully, to heal the sick, and to sing out in spontaneous worship. May we covet the same anointing that transformed thousands in his day." Bishop J. Neaul Haynes "We are the descendants of a mighty move of God that began at Azusa Street. This book will help us to pass on an equally dynamic spiritual life to our successors, taking the Church of God in Christ into the next century." Bishop P. A. Brooks "Church leaders would do well to emulate the dynamic spiritual life of our founder; Bishop C. H. Mason." Bishop O. T. Jones, Jr. "Bishop Clemmons reminds us that our denomination was forged in the fires of a pentecostal revival that continues to impact our society today." Bishop Gilbert E. Patterson "Our roots establish our legacy and provide the springboard for the future. This documentation is a must for this generation and the generations to come." Mother Emma F. Crouch, Supervisor, Women's Department, Church of God in Christ, President, International Women's Convention "This is must reading for every seminary student preparing to minister in the Church of God in Christ. This will be extremely valuable to students of church history regardless of denomination." Dr. H. Vinson Synan, Ph.D., Dean of the School of Divinity, Regent University "Finally, a documentary written by a black historian/theologian and a lifelong member of the Church of God in Christ. Bishop Clemmons' perspective is insightful, informative, and refreshing." Dr. William C. Turner, Ph.D., Professor of Theology, Duke Divinity School, Duke University "Allow Bishop C. H. Mason's vision to grip you, to challenge you, and to change you." Raymond C. Pierce, J.D., Deputy Assistant Secretary, U.S. Department of Education, Office for Civil Rights

One of the most comprehensive compilations available

In recent years there has been much discussion of a crisis in theology and doctrine in The United Methodist Church - as there has in most major Christian churches. Questions about the particularity of Jesus Christ, about the authority of Christian scripture, about the reasons for evangelization and mission, about ecumenicity and the global church, about the meaning of discipline and holiness, and about the distinctive identity of Methodism are sources not only of debate but of serious divisiveness. The book brings together research and writings dealing with theology and doctrine in Methodism. It demonstrates the complexity of the issues and the diversity of sources and traditions that contribute to serious consideration of theology in the Wesleyan tradition.

A practical guide to understanding what it means to be an adjutant. Detailed information is presented about etiquette in ministry, Levitical vestments, dress code, Episcopal protocol, and much more.

The book is about a woman who over came a long list of struggles. With God first, each struggle ended with something bigger and better over a period of almost forty years. They began about three years after she went away to college and met this handsome young man with several outstanding visible qualities. She had been a leader since she was six years old, self-assured and knew her destiny. Once she fell in love with him, she found out that his inner qualities didn't line up with the visible ones. However, she was determined to change him. They got married, had a family and one of her goals was put on hold. Becoming weary with her situation and getting old, she decides to leave him after realizing that she would never be able to change him. She starts a new life, an organization - Women Of Excellence NWAS, Inc and is making a difference in the lives of many other women. In the book her goal is to make a difference globally by enhancing the total woman, beginning in middle school, spiritually, educationally, socially and economically. In the book are tools to make this change a reality. It is a must read.
