Peter Schneider's Berlin Now is another one of the books that has been sitting on my shelf unread for a few years now, yet unlike some of the other books I've tackled recently and ended up loving, Berlin Now was a chore to get through, and the second I finished it, I was mostly just happy that I could now give it away.

~~Berlin Now: The City After the Wall by Peter Schneider~~
BERLIN NOW is a documentary, a musical journey and an exploration of underground culture in 80s West Berlin - a trip, a whirl of images, a celebration of the music beyond the mainstream. With Blixa Bargeld, Einstürzende Neubauten, Mona Mur, and FM Einheit.

BERLIN (AP) — A Berlin district mayor aims to leave a controversial statue commemorating women who were held as sex slaves by Japan during World War II in its place - at least for now, the local government said Thursday, after Japanese officials asked for the statue to be removed. In the longer term, the mayor advocates a memorial addressing sexual violence in broader terms, officials said.

what came before and after the great conflicts of the twentieth century, using archival photographs of the city ' s grand buildings, monuments, and boulevards alongside modern views of the same scenes today. Few cities in Europe have undergone as many transformations as Berlin in the past hundred years, or have risen from the rubble to stand as proud and vibrant as the city does today. Nick Gay's book shows the effects of Hitler's building plans of the 1930s, Allied bombing in World War II and the post-war division of the city into East and West and the subsequent reunification after 1989. Sites include: Brandenburg Gate, Pariser Platz, Hotel Adlon, the Reich Chancellery, Ministry of Aviation, Unter den Linden, Royal Opera House, Neue Wache, Berlin University, Palace Bridge, Lustgarten, Berliner Dom, Rotes Rathaus, Nikolaiviertel, Alexanderplatz, Muhlendamm, Gendarmenmarkt, Checkpoint Charlie, Wertheim Department Store, Potsdamer Platz, Death Strip, SS Headquarters, Anhalter Station, Siegessaule, Soviet War Memorial, Tempelhof Airport, Charlottenburg Palace, Olympic Stadium, Spandau Prison and Wannsee Conference Villa.

Chronicling the history of Berlin, this book charts the Communist-Nazi struggle of the Weimar Republic; the Thousand Year Reich with its penchant for show and architectural grandeur which transformed the city; and its consequent battering by the Allies and the Soviets by air and land respectively. The city's position as the central point of the Cold War is examined, focusing on the partition, and eventual reunion, of East and West.

Ville à la croisée de l'histoire, Berlin est une métropole dynamique reconnue pour son rôle créatif et vibrant dans les domaines de la mode, de l'art, du cinéma, des médias,

des affaires et de la politique. Cet album de photographies regroupe non seulement le travail d'icônes de la photographie tels que Peter Lindbergh, Elliott Erwitt, Olivier Mark, Andreas Mûhe et Daniel Biskup, mais aussi celui de stars montantes de la nouvelle génération de photographes. On parcourt ainsi toutes les images éblouissantes des gloires, mais aussi des épreuves que Berlin a traversées dans le passé, ainsi qu'un aperçu des nombreuses facettes et de l'énergie qu'elle dégage aujourd'hui. Edité par Dagmar von Taube, reporter très introduite dans la société internationale, en collaboration avec la très prestigieuse galerie photo berlinoise Camera Work, et la Ullstein-Bildarchiv, renommée pour ses archives de photographies d'Art

A smartly guided romp, entertaining and enlightening, through Europe's most charismatic and enigmatic city It isn't Europe's most beautiful city, or its oldest. Its architecture is not more impressive than that of Rome or Paris; its museums do not hold more treasures than those in Barcelona or London. And yet, when citizens of "New York, Tel Aviv, or Rome ask me where I'm from and I mention the name Berlin," writes Peter Schneider, "their eyes instantly light up." Berlin Now is a longtime Berliner's bright, bold, and digressive exploration of the heterogeneous allure of this vibrant city. Delving beneath the obvious answers—Berlin's club scene, bolstered by the lack of a mandatory closing time; the artistic communities that thrive due to the relatively low (for now) cost of living—Schneider takes us on an insider's tour of Germany's rapidly metamorphosing metropolis, where high-class soirees are held at construction sites and enterprising individuals often accomplish more without public funding—assembling a makeshift club on the banks of the Spree River—than

Berlin's officials do. Schneider's perceptive, witty investigations on everything from the insidious legacy of suspicion instilled by the East German secret police to the clashing attitudes toward work, food, and love held by former East and West Berliners have been sharply translated by Sophie Schlondorff. The result is a book so lively that readers will want to jump on a plane—just as soon as they've finished their adventures on the page.

On the 25th Anniversary of the fall of the Wall, a legendary Berliner tells the inside story of the city. Over the last five decades, no city has changed more than Berlin: divided in 1961, reunited in 1989, it has become Europe's most vibrant melting-pot of artists, immigrants and entrepreneurs. Blending memoir, history and reportage, this legendary Berliner takes us behind the scenes there - looking at everything from life under the Stasi and the difference between East and West Berliners' sex-lives to the city's night-life, politics and hidden quirks - and reveals what makes Berlin the uniquely fascinating place it is.

Ever since the collapse of Communism and the subsequent reunification of Germany in 1990, Berlin has been a city on the rise - economically, politically, and culturally. Aside from regaining its previous position as national capital, it has also attracted a significant and diverse community of artists - not only from Germany but from all over the world. Here, curator and critic Mark Gisbourne asks what it is about Berlin that has drawn so many artists to live and work there. Mixing revealing interviews with thoughtful commentary, he offers profiles of nineteen of the most important practitioners in the city, including such internationally important artists as Thomas Demand, Tacita Dean, Norbert Bisky, Mona Hatoum, and Michael Wesely. These profiles are

accompanied by visual essays from renowned photographer Jim Rakete, exploring the studios, creative life, and secret places of Berlin, and capturing the city's excitement, chaos, and sheer vitality.

With highlights that include "then and now" images of the Reichstag, the Brandenburg Gate, the Berlin Wall, and Checkpoint Charlie, one can experience the tumultuous events of Berlin's modern history through archival and contemporary photography--a must-have for World War II history buffs.

Each chapter examines the correspondence of a particular psycho-analyst with a particular author.
