Consumer Culture Theory (CCT): Twenty Years of Research...

Besides its focus on consumption, CCT research emphasizes the cultural context of consumer behavior with the intent of constructing theory.As the innovative writings, photography, and poems in this volume illustrate, rather than being a single theory, Consumer Culture Theory is a set of empirical and conceptual approaches emphasizing non-positivist methods and culturally constructed meanings.

Consumer Culture Theory (Research in Consumer Behavior)...

Consumer culture theory (CCT) is the study of consumption choices and behaviors from a social and cultural point of view, as opposed to an economic or psychological one. CCT does not offer a grand unifying theory but "refers to a family of theoretical perspectives that address the dynamic relationships between consumer actions, the marketplace, and cultural meanings".
