A new edition of the group counseling resource guiding therapists through the formation of group process and offering examples, guidelines, and strategies in how leaders can apply key concepts. Therapists Corey and Corey discuss ways to maintain trust, deal with resistance, help members translate their group experience into life practice, and recruit members. Special attention is given to a number of particular group situations including a domestic violence group, a bereavement group for the elderly, an AIDS support group, and a counseling model for children. Annotation c. by Book News, Inc., Portland, Or.

Honest and inspiring, I NEVER KNEW I HAD A CHOICE: EXPLORATIONS IN PERSONAL GROWTH, 11th Edition, is an invitation to personal learning and growth -- and a roadmap to lasting change. Research-based, yet written in a personal, encouraging tone, the book helps students examine the choices they've made, expand their awareness of the choices available to them, and choose where to go next. Emphasizing the role of personal responsibility and choice in creating a meaningful life, the text explores a wide variety of key topics, including personal style of learning, the effects of childhood and adolescence experiences on current behavior and choices, meeting the challenges of adulthood and autonomy, and many other issues related to personal growth and development. Self-inventories, exercises, activities, and first-person accounts of difficult choices real people have made give students invaluable insight into their lives, beliefs, and attitudes in a personally empowering way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

THEORY AND PRACTICE OF GROUP COUNSELING, 9th Edition, gives students an in-depth overview of the eleven group counseling theories. In addition to illustrating how to put these theories into practice, this best-selling text guides students in developing their own syntheses of various aspects of the theories. With Corey's clear, straightforward writing style, students are able to grasp each theoretical concept and its relationship to group practice with ease. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The ETHICS IN ACTION program brings to life the ethical issues and dilemmas counselors often encounter-and provides ample opportunity for discussion, self-exploration, and problem solving of the issues and dilemmas. The 22 video vignettes are based on a workshop for a group of counseling students, which included challenging questions and lively discussion, role-plays, and comments from the students and the group leaders. This educational program is divided into three segments: ethical decision-making, values and the helping relationship, and boundary issues and multiple relationships in counseling. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ideal for anyone just starting or even considering a career in the helping professions, Corey and Corey's BECOMING A HELPER, Eighth Edition, provides an overview of the stages of the helping process while equipping you with the skills and knowledge you need to become a successful helping professional. Drawing on their years of practice, the authors focus on the struggles, anxieties and uncertainties students often encounter on the road to becoming effective helpers. Providing a candid look at the demands and strains of real-world practice -- including the challenges involved in becoming an effective helper as well as the difficulties of working with others -- the book helps you determine if this career if a good fit for you. It is an excellent resource for those pursuing a career in human services, counseling, social work, psychology, couples and family therapy, or related professions.
