In this riveting, action-packed novel from award-winning author Will Hobbs, a teenage boy hoping to help his loved ones must fight for his life as he makes the dangerous journey across the Mexican border into the United States. When falling crop prices threaten his family with starvation, fifteen-year-old Victor Flores heads north in an attempt to "cross the wire" from Mexico into America so he can find work and help ease the finances at home. But with no coyote money to pay the smugglers who sneak illegal workers across the border, Victor struggles to survive as he jumps trains, stows away on trucks, and hikes grueling miles through the Arizona desert. Victor's passage is fraught with freezing cold, scorching heat, hunger, and dead ends. It's a gauntlet run by many attempting to cross the border, but few make it. Through Victor's desperate perseverance, Will Hobbs brings to life a story that is true for many, polarizing for some, but life-changing for all who read it. Acclaim for *Crossing the Wire* includes the following: New York Public Library Books for the Teen Age, Junior Library Guild Selection, Americas Awards Commended Title, Heartland Award, Southwest Book Award, and Notable Books for Global Society.

From the window of the small floatplane, fifteen-year-old Gabe Rogers is getting his first look at Canada's magnificent Northwest Territories with Raymond Providence, his roommate from boarding school. Below is the spectacular Nahanni River -- wall-to-wall whitewater racing between sheer cliffs and plunging over Virginia Falls. The pilot sets the plane down on the lake-like surface of the upper river for a closer look at the thundering falls. Suddenly the engine quits. The only sound is a dull roar downstream, as the Cessna drifts helplessly toward the falls . . . With the brutal subarctic winter fast approaching, Gabe and Raymond soon find themselves stranded in Deadmen Valley. Trapped in a frozen world of moose, wolves, and bears, two boys from vastly different cultures come to depend on each other for their very survival.

In this fast-paced adventure story set in the Canadian arctic, fifteen-year-old Inuit hunter Nick Thrasher comes face-to-face with a fearsome creature on a routine caribou hunt gone wrong. Part grizzly, part polar bear, this environmental mutant has been pegged the "grolar bear" by wildlife experts. Nick may have escaped this time, but it won't be his last encounter. Then Nick's estranged half-brother, Ryan, offers to take him on a rafting trip down a remote part of the Firth River. But when disaster strikes, the two narrowly evade death. They're left stranded without supplies—and then the grolar bear appears. Will Hobbs brings his singular style to this suspenseful story about two brothers fighting for survival against the unpredictable—and sometimes deadly—whims of nature.

Fifteen-year-old Jessie and the other rebellious teenage members of a wilderness survival school team abandon their adult leader, hijack his boats, and try to run the dangerous white water at the bottom of the Grand Canyon.

Hanni the wolf pup has never been alone before, and now she's lost in the wilderness. She's too little and scared even to cry out for help! But Hanni soon learns to trust the world outside and the wolf inside--and finally discovers a howl within, long a deep, that brings her family to the rescue. From an award-winning novelist comes this thrilling picture-book tale, illustrated with dynamic paintings that capture the dramatic landscape of the far north.

A meteorite is hurtling toward the Black Hills of South Dakota. . . . Brady Steele's love for all things extreme is given a boost when a fireball crashes through the roof of his house. It turns out that Brady's space rock is one of the rarest meteorites ever found. In fact, a professor from a nearby museum wants to study it in search of extraterrestrial bacteria, hoping to discover the first proof of life beyond Earth. During a wild week of extreme bicycling, fishing, and caving, Brady discovers he's able to do strange and wonderful feats that shouldn't be possible. At the same time, he's developing some frightening symptoms. Could he be infected with long-dormant microbes from space? Is his meteorite a prize . . . or a menace?

theft of their mules. Learning that Hercules and Peaches will likely be sold to the mines, Owen sets out to track the rustler over the mountains. It ' s all Ma can do to hold back little brother Till, who ' s more than a handful. The outlaw ' s trail leads to Telluride, the turbulent " City of Gold. " Owen gets help from a resourceful girl named Molly and dubious assistance from Till, who shows up on the train from Durango. Telluride ' s notorious marshal finally takes an interest when he identifies the rustler as one of Butch Cassidy ' s Wild Bunch. The lawman leads Owen and Till on horseback into the canyon country and all the way to Robbers Roost. For readers who love adventure and humor, Will Hobbs delivers a stirring tale of two brothers who risk it all to recover their mules and secure their future.
