Crucible : Star Wars Legends by Troy Denning. Han Solo, Leia Organa Solo, and Luke Skywalker return in an all-new Star Wars adventure, which will challenge them in ways they never expected--and forever alter their understanding of life and the Force. When Han and Leia Solo arrive at Lando Calrissian's Outer Rim mining operation to help him thwart a hostile takeover, their aim is just to even up the odds and lay down the

law.

*Crucible : Star Wars Legends  
by Troy Denning*

As mentioned by another reviewer, I very much believe Troy Denning is one of THE best EU authors that Star Wars has. When another author has let me down and Troy's book is next in the series, I often get excited knowing the tale will be that little bit sweeter for the remainder of the book. Crucible however left me feeling just a tad bit unsatisfied.

What made the experience of listening to *Crucible: Star Wars* the most enjoyable?

Marc Thompson I love the way he reads the book and how he brings the characters to life. I like the audible books because you get a feel of the action and he seems you are part of the story and you are more aware of the story.

It certainly isn't one of Troy Denning's better Star Wars books (he has written a couple of the best ones), but, for the most part, it is an enjoyable romp that covers most of what might be expected of a Star Wars novel. It focuses primarily on Luke, Leia and Han, who are, perhaps, the main three characters from the original trilogy of films.
