Doctor Who The Doctor is an alien Time Lord from the planet Gallifrey who travels through all of time and space in the TARDIS with a companion. Instead of dying, the Doctor is able to "regenerate" into a new body, taking on a new personality with each regeneration.

The Wheel. A ring of ice and steel turning around a moon of Saturn, and home to a mining colony supplying a resource-hungry Earth. It's a bad place to grow up. The colony has been plagued by problems. Maybe it's just gremlins, just bad luck. But the equipment failures and thefts of resources have been increasing, and there have been stories among the children of mysterious creatures glimpsed aboard the Wheel. Many of the younger workers refuse to go down the warren-like mines anymore. And then sixteen-year-old Phee Laws, surfing Saturn's rings, saves an enigmatic blue box from destruction. Aboard the Wheel, the Doctor, Jamie and Zoe find a critical situation; and they are suspected by some as the source of the sabotage. They soon find themselves caught in a mystery that goes right back to the creation of the solar system. A mystery that could kill them all.

The mysterious Doctor and his granddaughter Susan are joined by unwilling adventurers Ian Chesterton and Barbara Wright in an epic struggle for survival on an alien planet. In a vast metal city they discover the survivors of a terrible nuclear war - the Daleks. Held captive in the deepest levels of the city, can the Doctor and his new companions stop the Daleks' plan to totally exterminate their mortal enemies, the peace-loving Thals? More importantly, even if they can escape from the Daleks, will Ian and Barbara ever see their home planet Earth again? This novel is based on the second Doctor Who story which was originally broadcast from 21 December 1963-1 February 1964. Featuring the First Doctor as played by William Hartnell, and his companions Susan, Ian and Barbara

Now a major motion picture starring Ewan McGregor! From master storyteller Stephen King, his unforgettable and terrifying sequel to *The Shining*—an instant #1 New York Times bestseller that is “ [a] vivid frightscape ” (The New York Times). Years ago, the haunting of the Overlook Hotel nearly broke young Dan Torrance ’ s sanity, as his paranormal gift known as “ the shining ” opened a door straight into hell. And even though Dan is all grown up, the ghosts of the Overlook—and his father ’ s legacy of alcoholism and violence—kept him drifting aimlessly for most of his life. Now, Dan has finally found some order in the chaos by working in a local hospice, earning the nickname “ Doctor Sleep ” by secretly using his special abilities to comfort the dying and prepare them for the afterlife. But when he unexpectedly meets twelve-year-old Abra Stone—who possesses an even more powerful manifestation of the shining—the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot, reigniting Dan ’ s own demons and summoning him to battle for this young girl ’ s soul and survival...
