rather on how to incorporate more cycling into your everyday life.

Amazon.com: Hello, Bicycle: An Inspired Guide to the Two ...

All in all, I don't know how "inspired" this guide is. It might be best suited for a novice or beginner cyclist, but even someone more experienced can sift out a nugget or two to tickle the imagination, open new doors. The important part is that Hello, Bicycle makes a person want to get out and go for a ride. So, I guess, it must be counted as a success because it certainly did so for me.
