"For undergraduate courses in Human Resources Management." Combining Theory & Practice: A Modern Guide to Human Resources"Human Resource Management "addresses the study of HR in a realistic, practical, and stimulating manner. Examples of how HR management is practiced in the real world and the relationship between various HR topics are interwoven throughout the text, giving students a thorough introduction to the field based on sound theoretical concepts and practice. The Fourteenth Edition reveals HR's strategic importance to management and the overall health of an organization. The text also addresses the ongoing shrinkage of internal HR departments as many companies

shift towards HR outsourcing, HR shared service centers, and professional employer organizations. Students should walk away with an appreciation for how the HR profession continues to shed its administrative image and while focusing on mission-oriented activities. Also available with MyManagementLabMyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. MyManagementLab allows you to engage your students in the course material before, during, and after class with a variety of activities and assessments.

For undergraduate/graduate courses in Human Resource Management. This best-selling survey of contemporary human resource management offers a balance of practical and applied material as well as underlying Human Resource Management theory. It reflects the latest information, including the impact of global competition and rapid technological advances that have accelerated trends such as shared service centers, outsourcing, and just-in-time training. A wealth of actual company examples demonstrates how concepts are being used in today's leading-edge organizations.

For undergraduate courses in Human Resources Management. The most student accessible HRM text on the market! There is no greater asset to a company than its employees—which is why Human Resource Management shows readers how to maximize a firm's potential through identifying and keeping an ideal workforce.
