Collects twelve stories told by snow-bound members of an extended family gathered in their old homestead for the Christmas holidays.

Josey is a very nosey ferret. Learn about the curiosity of ferrets and how they make wonderful pets.

The latest, most effective engineering and construction project management strategies. Fully revised throughout, this up-to-date guide presents the principles and techniques of managing engineering and construction projects from the initial conceptual phase, through design and construction, to completion. The book emphasizes project management during the beginning stages of project development to influence the quality, cost, and schedule of a project as early in the process as possible. Featuring an all-new chapter on risk management, the third edition also includes new sections on: Ensuring project quality, The owner's team, Parametric estimating, Importance of the estimator, Formats for work breakdown structures, Design work packages, Benefits of planning, Calculations to verify schedules and cost distributions, Common problems in managing design, Build-operate-

transfer delivery methods Based on the author's decades of experience in working with hundreds of project managers, this essential resource includes many new real-world examples and updated sample problems -- page 4 of cover.

She has hardly any choices left, and they're all dangerous... With her clan on the wrong side of the struggle for the Scottish throne, heiress Daphne Macleod, once the toast of the court, is out of options. Norris Sutherland, heir to the Earl of Sutherland, once helped Daphne escape an unwanted betrothal, but she walked away from him without a backward glance. Now after her fall from privilege and on the run from a vicious clan leader who wants to marry her, then murder her for her (supposed) hidden fortune, Daphne needs Norris more than ever. But he may be lost forever...unless she can somehow convince him to forgive her. A romantic tale of the Scottish highlands, readers of Lora Leigh, Connie Brockway and Amanda Scott will be waiting to be swept up in this 15th century Scottish Historical Romance. The Sutherlands Scottish Highlander series: The Highlander's Prize, Book #1 The Trouble With Highlanders, Book #2 How To Handle A Highlander, Book #3 The Highlander's Bride Trouble, Book #4 What readers are saying about The Trouble With Highlanders: "It is a love story and a struggle of trust between lovers, family and clan."

factor."-Lucy Monroe, USA Today bestselling author of For Duty's Sake  
"Dramatic and vivid...Scorching love scenes threaten to set the sheets  
aflake."-Publishers Weekly Starred Review

From USA TODAY and NEW YORK TIMES best-selling author Flora Dare comes double the sexy alpha werebear romance! When her flight is cancelled and the only option is to accept a seat in coach, Jena's luck goes from bad to worse, and then back around to good again - she might have gotten a middle seat, but it's in between two BIG hunks of manliness. Being snuggled between two big bears is pretty much the best outcome the trip could have. The worst? The plane going down in the wilderness. Guess which one Jena's gonna have to deal with? With her and her two new bear friends lost in the wilderness, a relaxing flight turns into a desperate fight for survival. But at the end of the day, will just surviving be enough for the bears? With the way Matt and Jack look at her, touch her, hold her, Jena doesn't think so. Jena thinks that when she lets her claws out, the gig is up - how could two bears like this want a wolverine shifter? But when she stumbles into trouble she never imagined, it seems her two hunks just might part of an industrial terror plot. Forget the claws, forget the fur, can Jena survive THEM?

Expert tips and 300 sample letters make business and personal correspondence a snap. When trying to close a sale, answer a complaint, or offer thanks, a well-crafted letter can make all the difference. Packed with practical advice and 300 easy-to-adapt sample letters, this all-purpose guide shows readers how to write letters that get results -at work and at home. Covering the nuts-and-bolts of letter writing as well as the secrets of high-impact prose, the book delivers proven recipes for attention-grabbing introductions, persuasive arguments, memorable phrases, and closing clinchers. Best of all, it offers guidance on business and personal letters for every circumstance, from job hunting, selling, fundraising, and asking favors to giving a reprimand, responding to criticism, expressing sympathy, and declining gracefully. It's the only reference anyone will ever need to write the perfect letter, whatever the occasion.

The world's most extensive list -- by region -- of sunken cities and megalithic underwater sites currently known. Karen Mutton begins by discussing some of the causes for sunken ruins: super-floods; volcanoes; earthquakes, plate tectonics and other theories. She then discusses Plato's Atlantis and the various areas of the Mediterranean
