Sewing machines are complicated machines, but with the instruction you'll find in Sewing Machine Magic, you can make even an old sewing machine work wonders. With just a little know-how and the right accessories, you can get the most out of your sewing machine and give all your sewing and quilting projects a professional look! In Sewing Machine Magic, author and sewing expert Steffani Lincecum shares 30+ years of experience on how to handle a sewing machine with greater ease and confidence, and explains how to easily find and use the right presser feet and other accessories for your machine, whether you purchased it at retail or found it at a yard sale. You'll learn the logistics of managing thread, how to achieve the proper stitch formation for every project, and how to troubleshoot a variety of common sewing problems. Learn to use more than 30 presser feet and other accessories, from the basics to more specialized tools designed to maximize efficiency, precision, and creativity. The 10 fashion and home decor projects show inventive ways to use some of the feet and accessories.

A basic text for beginner sewers, this book features step-by-step instructions that take the reader start-to-finish through over 100 sewing applications.
