"The denial of feeling characteristic of all narcissists is most manifest in their behavior toward others. They can be ruthless, exploitative, sadistic, or destructive to another person because they are insensitive to the other's suffering or feeling. This insensitivity derives from an insensitivity to one's own feelings" (p. 49)

Narcissism : denial of the true self (Book, 1983 ...

We have self-respect when our actions stem from principles or deep convictions rather than motives of expediency or gain. Impressing or manipulating others brings a loss of self-respect, and without self-respect, one doesn't respect others. The narcissistic person has no self-respect." ? Alexander Lowen, Narcissism: Denial of the True Self
