Included this year too are major articles from some of Ireland's leading academics, commentators, and public figures. Their insightful, sometimes controversial, but always thought-provoking pieces add considerably not only to the authority and reliability of the Almanac as a reference tool, but also to its usefulness as an up-to-date source for information on current events. Subjects are covered throughout the Almanac under a variety of headings, including: calendar of events; top news stories; quotes of the year; pictures of the year; chronology; obituaries; politics; history; personalities; geography and environment; population; counties and main towns; business and finance;
