The second edition of Outcomes has been fully revised and updated to provide contemporary, global content and stunning National Geographic photos and videos. Its trademark lexically-rich approach shows students how vocabulary works, and the evenly-paced grammar syllabus provides examples and tasks based on what people actually say and write. With a huge variety of talking points and practice, Outcomes teaches students the English they need to communicate outside the classroom.

Real situations, real language, real outcomes The second edition of Outcomes is the only course that is consistently focused on helping students achieve the real world communicative outcomes they want and need. This lexically rich course emphasises students' need to have the conversations in English that they would in their own language. This new edition contains more contemporary and global content, reflecting English as it is used in the world and is visible via rewritten texts and new National Geographic photos and videos. There is a strong emphasis on real and natural English usage so students can develop the English language skills necessary for the real world.
