old photocopy of a jpm nudge shuffler fruit machine service manual found in a operators storeroom , was never a buy off the shelf item so if you have the fruit machine its for or one like it could prove invaluable for problem solving if you had issues if not, its a nice addition for any fruit machine to have its manual / paperwork

Digital communication has become increasingly prominent in numerous disciplines throughout society due to the high usage levels of interactive systems. Professionals continue to apply trending technologies to their traditional practices as social interaction becomes more computerized. As new innovations are continually being discovered, researchers and practitioners in various areas of work need to stay up to date on the latest findings within interactive communication systems. Innovative Perspectives on Interactive Communication Systems and Technologies is a collection of innovative research on the interdisciplinary methods of internet-based social interaction technologies and their impact on communicative practices in various professional fields. While highlighting topics including health communication, small group settings, and design philosophies, this book is ideally designed for industry experts, researchers, engineers, scientists, policymakers, practitioners, academicians, and students seeking research on modern advancements of interactive communication technologies through real-world applications.

Listing more than 700 casinos in 36 states, this bestselling guide is jam-packed with detailed information and includes 150 coupons providing more than \$1,000 in savings. Consumable.

An indispensable tool, this edition of the popular Ohio Manual of Criminal Complaints and Indictments provides police officers and prosecutors with an easy-to-use format for filing criminal charges and preparing indictments. Completely revised, this important resource provides instant access to accurate charging information--containing complete language for all offenses in Title 29 of the Ohio Revised Code, as well as important statutory definitions. This manual presents practical notes to assist law enforcement officials in making crucial charging and indictment decisions. Essential information on appropriate selection of charges in individual cases is included, as well as penalties, affirmative defenses, and statutory definitions.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

Covering New York, American & regional stock exchanges & international companies.
