Determined to protect herself from the horrors of her childhood, a young woman finds her remote island refuge terrorized by ruthless mercenaries and heads to the open seas in a perilous race against time to find the site of a lost city before it is too late. Reprint.

A raw and surprisingly beautiful coming-of-age memoir, *Coal to Diamonds* tells the story of Mary Beth Ditto, a girl from rural Arkansas who found her voice. Born and raised in Judsonia, Arkansas;a place where indoor plumbing was a luxury, squirrel was a meal, and sex ed was taught during senior year in high school (long after many girls had gotten pregnant and dropped out) Beth Ditto stood out. Beth was a fat, pro-choice, sexually confused choir nerd with a great voice, an eighties perm, and a Kool Aid dye job. Her single mother worked overtime, which meant Beth and her five siblings were often left to fend for themselves. Beth spent much of her childhood as a transient, shuttling between relatives, caring for a sickly, volatile aunt she nonetheless loved, looking after sisters, brothers, and cousins, and trying to steer clear of her mother's bad boyfriends. Her punk education began in high school under the tutelage of a group of teens;her second family/who embraced their outsider status and introduced her to safety-pinned clothing, mail-order tapes, queer and fat-positive zines, and any shred of counterculture they could smuggle into Arkansas. With their help, Beth survived high school, a tragic family scandal, and a mental breakdown, and then she got the hell out of Judsonia. She decamped to Olympia, Washington, a late-1990s paradise for Riot Grrrls and punks, and began to cultivate her glamorous, queer, fat, femme image. On a whim/with longtime friends Nathan, a guitarist and musical savant in a polyester suit, and Kathy, a quiet intellectual turned drummer/she formed the band Gossip. She gave up trying to remake her singing voice into the ethereal wisp she thought it should be and instead embraced its full, soulful potential. Gossip gave her that chance, and the raw power of her voice won her and Gossip the attention they deserved. Marked with the frankness, humor, and defiance that have made her an international icon, Beth Ditto's unapologetic, startlingly direct, and poetic memoir is a hypnotic and inspiring account of a woman coming into her own.

For decades we've been told that we live in fast-paced, dog-eat-dog world, that loyalty gets you nowhere, and that we must look out for number one! We've been told that to succeed we have to constantly reinvent ourselves, let go of past relationships, and move on to greener pastures. And we've been told that all this is good. But it's not good. Why Loyalty Matters is grounded in the most comprehensive study of loyalty ever conducted, and what it reveals can change your life. The science is very clear! when it comes to business success, satisfaction in our relationships and even overall happiness, loyalty is essential. Renowned loyalty experts Timothy Keiningham and Lezran Aksoy combine their own groundbreaking research with the leading thinking in philosophy, sociology, psychology, economics and management to provide a comprehensive guide to understanding what loyalty is, what it isn't and how to unlock its power in your personal and professional life.

Vaastu Shastra lays down principles that plan every element of a structure! from the basic shape and size of a building (big or small) to the placement of windows, doors and pieces of furniture. This book shows us how to create a sustainable structure that fosters a harmonious influence on its inhabitants resulting in greater overall positivity, success and comfort.Simple and effective remedies to enhance the surroundings without doing major changes in the existing layouts are discussed in this book. Fulfilling the Vaastu tenets to suit the different patterns of various commercial premises is a challenge but this book gives revolutionary vision to resolve the issue. Remedial Vaastu shares case studies of companies and celebrities and shows how a specific one has been a success or failure in the modern world. Structural issues play an important role in the success and failure of each. These issues are addressed here by applying Vaastu Shastra to rectify them. Self-explanatory diagrams give you better visualization for tackling a problem. Like a ready reckoner this book is a must-have for small shop owners, industries, commercial premises, malls, hospitals and educational institutes.

For any beginner of Japanese, adjectives and adverbs are bound to present a challenge. Unlike English adjectives, Japanese ones conjugate, meaning that you must memorize their various forms before being able to build sentences of any complexity. Adverbs do not conjugate, but make use of particles to show their grammatical relationship to other words, and some have very subtle shades of meaning that are difficult to grasp. Moreover, many do not translate into adverbs in English. The role these parts of speech play in adding flavor to the Japanese language is invaluable. This handy reference manual introduces the basic (and basics of) adjectives and adverbs in a clear and sensible way, enabling students not only to speak Japanese but to do it with pizzazz. The book is divided roughly in half, the first half dealing with adjectives, the second with adverbs. Each is prefaced by a short introduction that serves as an overview of the material introduced. The section on adjectives is divided into two parts: Part 1 covers the conjugations of i- and na-adjectives and some basic auxiliary adjectives, and Part 2 presents common sentence patterns in which adjectives appear. The adverb section is arranged by topic. Among the types of adverbs explained here are those used to express time, quantity, degree, circumstance, and natural sounds or actions (the ubiquitous onomatopoeic adverbs). Each entry in this book is given a simple, concise English explanation and two or more example sentences to illustrate its usage. Exercises every few pages enable students to measure their understanding. Finally, a number of quick-reference lists in the appendices provide a convenient means of recalling and building vocabulary. Together with its sister publication, *The Handbook of Japanese Verbs*, this unique manual is certain to provide years of friendly guidance.

Market\_Desc: Beginner to advanced Photoshop users. Photoshop has an installed base of about 4 million users. But it is a complex application so readers appreciate the authoritative, comprehensive coverage of the Photoshop Bible. This book is an indispensable reference-tutorial for all Photoshop users. Special Features: A total revision of the classic bestseller, covering the latest release of Adobe Photoshop. Includes all-new graphics and examples. Includes expanded coverage of Photoshop s Camera Raw tools. 100% comprehensive coverage gives readers the knowledge to edit digital images like a pro. Includes two 16-page full-color inserts. Practical, real-world examples show readers how to instantly apply what they learn. More than 600,000 Photoshop Bibles have been sold! Previous editions have been translated into 25 languages. When someone asks me something I don t know about Photoshop, I tell them to go read the Photoshop Bible. It does something no other book does-it tells you everything. --Russell Preston Brown, Senior Creative Director, Adobe Systems About The Book: The Photoshop Bible fulfills the promise to the reader of being 100 percent comprehensive, authoritative, and what you need. It shows readers how to retouch, color correct, manipulate, and combine images using Photoshop. Readers will learn to create cutting-edge special effects for their digital or film-based images, and use them on the Web or in print. The easy and approachable writing style demystifies even the most complex Photoshop tasks. In this totally updated edition to the international bestseller, Deke McClelland and Laurie Ulrich Fuller show you how to master every aspect of Photoshop- from image-editing basics to new techniques for working with camera raw images. Other topics covered include the File Browser, histogram palette, Lens Blur, Match Color, the color replacement tool, customizable keyboard shortcuts, and lots more!

Last year, author Lysa TerKeurst released the book *Made to Crave*, providing the Biblical answer to why people diet, regain the weight they lose, and continue to find themselves stuck in this vicious cycle. *Made to Crave* helped thousands of people finally achieve victory in their weight loss journey. But, according to TerKeurst, [W]e need more than 19 chapters to stay motivated and on track. That's why I wrote this daily devotional with 60 inspirational entries. There is plenty of new material not in the original book. Rest assured, I also included your favorite nuggets of wisdom from *Made to Crave*! Just like the *Made to Crave* book, this *Made to Crave Devotional* is not a how-to get healthy book. It is the road to finding the lasting [want to] that extends far beyond the surface issues of weighing less and wanting to wear a smaller clothes size. Says TerKeurst: [T]here's a spiritual battle going on. It's real. And it's amazing how perfectly the Bible gives us specific ways to find victory with our food struggles. [E]ven for girls who don't crave carrots.]

This first book in the Marcelli Sisters of Pleasure Road series features three beautiful sisters, a family steeped in tradition, and a secret from the past that threatens to rock their once perfect worlds. A party planner extraordinaire, Katie Marcelli loves her big, boisterous family/when their chronic matchmaking drives her crazy! In the Marcelli household, fine wine and good food are as celebrated as true love, so when her eighteen-year-old sister announces her engagement, Katie promises her the perfect wedding. There's only one hitch: the father of the groom, Zach Stryker, who is adamantly opposed to his son marrying so young. Now, despite her instant attraction to the handsome, arrogant attorney, Katie must approach with caution: Zach, who hired Katie for a major fundraiser, holds the fate of her business in his hands/and how can she trust a man who is willing to break her sister's heart? It will take a passionate battle of wills to determine if wedding bells will ring for a Marcelli bride, and to unlock the deepest desires/for family, love, and home/inside a strong-willed man's heart.

Vermont was made for hiking! This completely revised definitive hiker's guide to Vermont/mountain in full color with all new maps and elevation profiles/leads hikers up classic peaks like Camel's Hump, Mount Mansfield, and Mount Ascutney, as well as revealing many lesser-known gems. Hikes range in length from a half-mile stroll to overnight backpacking trips. Each hike description includes a topographic map, mile-by-mile directions, and information on distance, difficulty, terrain, and hiking time. Each hike chapter is enlivened by knowledgeable commentary on the area's geology, history, and wildlife. From gentle nature trails to rugged peak climbs, from remote ponds to historic ghost towns, from rushing waterfalls to rare peregrine falcon habitat, the Green Mountain State is a classic hiking destination.
