Simon is the unrecognized illegitimate son of Geoffrey of Malvallet. At 14 he hasn't much chance of being his own master unless he becomes a squire to someone of consequence. Simon compares his father to Fulk of Montlice (Malvallet's enemy) and decides that Montlice is the better man and goes to him, determined to become part of his household.

However, there is a problem with it which I think shows Mrs Heyer's lack of formation at the time of writing this novel (she was 25), and that is Simon's character. To the reader, he sounds almost like a psychopath, cold, uncaring except for himself, unable to connect with the people around him.

A re-issue of a 1925 medieval romance (never before published in the U.S.)-in which Heyer runs with a welter of solemn "sooths" and "mayhaps" rather than her later, classier Regency jargon. He of the frigid ticker is neglected bastard Simon Beauvallet-tough, ruthlessly fair, proud, mighty in battle-who comes at age 14 to the Earl of Montlice (known as "Fulk the Lion") for employment.
