The Dreamseller saga consists of three novels written by Augusto Cury - doctor, psychiatrist, psychotherapist and publishing phenomenon in Brazil. The first book to be released in the U.S. market — The Dreamseller: The Calling — features characters that are present in the whole saga. Through a narrative composed from the heart, Cury draws a parallel between the effects of modern society in our lives and our emotions.

~~The Dreamseller—Wikipedia~~

In this uplifting journey, the Dreamseller demonstrates that societies are comprised of anonymous heroes who go unrecognized for their deeds: cancer patients who fight for their lives like warriors, parents who exhaust their bodies and minds to support and educate their children, and teachers who, despite low wages, enhance the minds of their students. The Dreamseller: The Revolution reveals ...
