device The opening of the first part of the novel is set one week after the discovery of the first two bomb victims in the prologue. Lindsay and Conklin learn more about their victims. Lara Timble was a graduate student studying music. David Klatz, the driver of the vehicle, was working on his postgraduate in psychology. Neither victim had any political involvement or known enemies to suggest a suspect for the crime. Due to the nature of the crime, the FBI quickly comes in and takes over the case. With that, there is limited evidence available to the detectives which point to any kind of perpetrator and

they have yet to even figure out what kind of bomb was used or how it was implanted in the victims' stomachs. It is at this point that readers get their first glimpse of Lindsay's home life. Her husband, daughter, and pet dog are introduced and we see that Lindsay is a loving wife and mother who enjoys the time she gets to spend at home. However, Lindsay is also cautious and worries about the safety of her family. This acts as foreshadowing to the fact that her family will be a vulnerable point and a source of weakness for Lindsay as she hunts down dangerous killers who take up personal vendettas against her. WHAT REVIEWERS ARE SAYING: 5.0 out of 5 stars  
I just love crime novels By Marina Boteva on  
April 3, 2016 Format: Kindle Edition Verified  
Purchase I just love crime novels. And this  
one specifically is just amazing. It's like  
watching a type of crime series, like  
"Castle." It is so well written that I can  
imagine everything I read and since the  
chapters always finish with some promise for  
more it's really like watching it on TV. The  
book is funny and serious. It's cleverly  
thought out and capturing. It keeps you in  
suspense, and you never know for sure what is  
going to happen next. I have been looking for

a long time for something like this one. I love crime novels, and I have read most of what's up for sale, but after reading this book, I truly hope that I would be able to read some more by D.J. Jouett. P.S.: I have always wanted to become what Lana is, I even studied psychology at the University. After reading this book, I am absolutely sure that I made the right decision choosing a different career path after all. 5.0 out of 5 stars I really like this book. By Martin Lee on April 8, 2016 Format: Kindle Edition Verified Purchase I really like this book. Lana is my kind of woman, tough, smart,

and a rebel when necessary. Once I started reading I couldn't stop turning the pages. The plot is elaborate, suspenseful with plenty of unsuspected twists and turns. I never was able to guess who the killer was. I'm looking forward to the next book. 5 out of 5 stars What a great book! By James Perez on April 3, 2016 Format: Kindle Edition Verified Purchase What a great book! First of all, I loved this book. 2nd of all, I loved the main character, Lana Reed, with all of her activities. This is such an interesting and well-written mystery book. I really liked the way this book was written.

The book is never slow or boring but keeps the reader focused on the story. I highly recommend this book to anyone interested in a good investigative story. 5 out of 5 stars A true page turner . Loved it!! By Sarah on April 3, 2016 Format: Kindle Edition Verified Purchase This absolutely amazing novel by D. J. Jouett begins with detectives Adam Reed and Colten Lane begin their work on their first murder case. After this event, there is a series of similar crimes happening in the same pattern. Parallel to this, Adam's lovely wife, Lana, who is a psychiatrist, suspects one of her patients to be involved in this.

The novel is a true page-turner with series of events which keep you engrossed on guessing what will come next. The story line is fabulous with a right balance and flavor of love, sex, murder, and infidelity. I am amazed at how well thought out and detailed this book was. The characters are vividly described, and the plot is fun and entertaining. I had a hard time putting this down. The ending was a totally surprising event. All in all, superbly done.

ride board, each looking to share the long drive home to Ohio. Both have good reasons for wanting to get away. For Charlie, it's guilt and grief over the shocking murder of her best friend, who became the third victim of the man known as the Campus Killer. For Josh, it's to help care for his sick father—or so he says. The longer she sits in the passenger seat, the more Charlie notices there's something suspicious about Josh, from the holes in his story about his father to how he doesn't want her to see inside the trunk. As they travel an empty, twisty highway in the dead of night, an increasingly

anxious Charlie begins to think she's sharing a car with the Campus Killer. Is Josh truly dangerous? Or is Charlie's jittery mistrust merely a figment of her movie-fueled imagination? One thing is certain—Charlie has nowhere to run and no way to call for help. Trapped in a terrifying game of cat and mouse played out on pitch-black roads and in neon-lit parking lots, Charlie knows the only way to win is to survive the night.

The idea of Jesus initiating a second humanity and new creation by His incarnation, death, and resurrection is an important but often undervalued emphasis in the New Testament and in patristic theology. In *A Second Adam*, Cody Cook presents this doctrine, called Recapitulation, as a biblical, ancient, and ecumenical model of the atonement which is simultaneously more balanced than the more popular models while also getting us to their most important insights. models of salvation are shown to be imbalanced when taken as central, but can all be held in harmony when starting from Recapitulation. Recapitulation is also shown to have great promise for future ecumenical dialogue and apologetics concerns.
