Tragically, the increasing condition of father-challenged homes has resulted in millions of youth damaged so severely that failure in school, in home relationships, and in careers demands that mentors (parents, teachers, coaches, correctional personnel, pastors, and probation officers) provide the instruction (Laws of Eagles) that youth should receive from their biological fathers. Otherwise, U.S. teenagers likely will not be trained in basic skills needed for successful employment and marriage.

Lois E. Scott has generated and collected pithy one-liners for the past 50 years, gems that her husband Fred refers to as LOISisms. These one-liners can cut through the froth to the heart of a topic with wisdom, common sense, and often humor. They may give comfort to a hurting person, or challenge a teenager as he or she struggles to deal with this world. With these gems, she has guided and

instructed three sons and eleven grandchildren and their friends. She is now working on seven great-grandchildren. Friends and family have enjoyed and have been challenged by her kitchen bar stool ministry. Hopefully, these gems will give the reader a laugh or two, or as the Christian comedian Ken Davis would say, " Lighten up and live! " If you are a believer in Jesus Christ, these gems may provide some food for thought as you live your life and raise your children. Within these pages, you are invited to catch a higher vision and soar with new understanding as you discover the many times God refers to His followers as mighty eagles. With such a pronouncement straight from heavenly authority, it is no wonder that man should then recognize this regal raptor as the greatest of all the birds that fill our skies today. In SOAR - THE WAY OF THE EAGLES you will read about some of the Lord's greatest Eagle Christians from the pages of Scripture, the annals of world history and through the stories of amazing Eagle Christians I know personally, having served in 48 different nations during my ministry. With each chapter paralleling the actual life stages of an eagle and the growth cycle of a Christian, you will learn how to fly in the company of God's faithful. This book was designed for use in personal inspiration and devotion as well as small group studies. I pray you will have as much joy reading about these "Majesties in Motion" as I have had in preaching a hundred sermons about them. Look up, spread your God-given wings, take to the skies and become the Eagle Christian God designed you to be!

Soaring With Eagles - written in the style of Walking On The Water With Jesus: Book 1 and 2, is not a Pollyanna-pie-in-the-sky notion - it is a wondrous, miraculous read that will lead you to experience what it means to be Soaring with Eagles.

SOARING HIGH LIKE EAGLES is an instructional material put together to be a blessing to individuals and leaders from the church and business organizations. The principles outlined in this book are biblical principles carefully selected out of experience. Research has proved that most private and government organizations that have excelled built their structures on biblical principles. And most of the inventors like Isaac Newton had religious background. Information revealed that Isaac Newton was a deeply religious person who wrote far more words on religion than he did on science. No wonder he remained the greatest scientist that ever lived. SOARING HIGH LIKE EAGLES identifies that all the things in this world revolve around God because of His superhuman strength. Without Him nothing can stand. With this understanding, the principles taught in this book are based on waiting on the Lord as the only way to soar high like the eagles using Isaiah 40:31 as the background scripture. It is therefore believed that any individual or organization that applies all the secrets exposed in this book is on the way to the top. It is a book you must read.
