Apply to register a trade mark - GOV.UK

Check trademark class - If a trademark has been registered in one class and your business is operating in a different class, you may be able to trademark your name in a different class to the existing registered trademark. Check trademark use - Once a trademark is registered, it must be used commercially. If a trademark hasn't been used for five years or more, or is listed as expired, you can seek to have the existing trademark cancelled and then register your own trademark.

How to trademark a UK business name | Start Up Loans

Surnames usually cannot be registered as trademarks. The mark "Wilson Power Boats," for instance, is a poor choice for a trademark because "Wilson" is a surname and the rest of the mark is descriptive. Leave the Confusing Trademarks Behind A trademark confusingly similar to an already registered trademark cannot be registered.

How to Create a Trademark That's Truly Distinctive

Registering vs Trademarking Your Name. Registering a business name is different from trademarking that name. You can register a business name in a state, or a business name is automatically registered when a business entity is registered (as a corporation or LLC, for example). Registering a business name in a state only registers the name in that state, to keep others in the state from using it; a trademark can be registered in the U.S. or you can also register a trademark internationally.

Can I Trademark My Personal Name?

Registering a trademark is one of the most effective ways you can protect your name, brand and work. Regarding intellectual property protection, there's not much that can beat registering a trademark correctly. Yet many people struggle with the process on the intellectual property office website in the UK and end up turning to a solicitor even for simple applications.
