The writer, the subject, and the audience are the context that will determine how well a piece of writing does its work. The medium is part of the message. You can express your ideas in a wide variety of ways depending on the tools and technology you use. A writer must have something to say. Having a clear, valid main point or idea is an essential element of effective writing.

Question 3 1 / 1 pts

According to Chapter 19 in Writing: Ten Core Concepts, the main difference between a summary and a paraphrase is that a summary condenses the main ideas of a source text into a shorter form, while a paraphrase restates the ideas of a source text in new words in order to help readers better understand the original source.
